PROPOSAL DEVELOPMENT

Our team of skilled and dedicated proposal writers seamlessly integrates with your organization, working closely with your staff to craft persuasive and winning proposals. We bring industry expertise and a deep understanding of proposal best practices, such as Shipley and APMP, to significantly enhance your chances of success.

IT/NON IT STAFF AUGMENTATION

Our carefully selected professionals seamlessly integrate with your team, providing expertise specifically tailored to your industry. Whether you require IT specialists or non-IT professionals, we deliver scalable solutions to meet your unique needs.

WEB & SOFTWARE DEVELOPMENT

Empower innovation with our web and software development services. We create customized solutions for complex challenges, utilizing the latest technology to construct robust and scalable software that fuels your business expansion.

GRAPHIC DESIGNING

Contragenix passionately transforms ideas into impactful visual stories, employing a strategic blend of creativity and cutting-edge design techniques, offering a range of services from Proposal Graphics to logos, branding, and digital/print materials. We are your dedicated creative partners in bringing your vision to life.

ARTIFICIAL INTELLIGENCE/ MACHINE LEARNING

Embrace the future of your business with our AI/ML solutions. Our team designs and implements cutting-edge machine learning and artificial intelligence solutions. Our solutions unlock invaluable insights, automate tasks, and facilitate data-driven decision-making, leading to a transformative shift in your operations.
ADMIN & ACCOUNTING SUPPORT

Our administrative support team ensures accuracy, efficiency, and compliance in managing your daily operations & accounts, allowing you to focus on your core business activities. From general administrative support, bookkeeping & financial reporting, we provide services tailored to your needs hence, saving you time and resources.
